- Candidates must file a notice of candidacy with the County Board of Elections office in the county of their residence, and pay a filing fee of 1% of the annual salary of the office sought. (It is also possible to present petitions signed by registered voters in lieu of paying the filing fee. For more information, see [North Carolina General Statute § 163-107.1](#).) Notice of candidacy forms may be obtained from the County Board of Elections prior to the date on which candidates may commence filing.
- A candidate must be a registered voter affiliated with the same political party in which he or she intends to file (a person changing party affiliation must do so 75 days prior to the date the candidate files).
- At the time of filing, all candidates must also file a certificate signed by the Director or Chairperson of the County Board of Elections where they are registered to vote at their current residential address in that county. The certification states the party with which the person is affiliated, and that the person has not changed party affiliation in the past 75 days.
- The notice of candidacy includes questions about any previous felony convictions of the candidate, and will require a further report on those convictions if there are any. Active felons who have not had their citizenship rights fully restored (full completion of any felony sentence, including probation, restitution, etc.) are not eligible to be registered to vote or to run for elected office.

- A filed primary candidate who remains unopposed after the close of the filing period will be certified as his or her party's nominee without the need for a primary.

6) What are the campaign reporting requirements? [G.S. § 163-278.9](#)

The Campaign Reporting Act requires financial disclosure of all political activities. Reports are filed with the State Board of Elections campaign reporting office. The time of filing of these reports, and the types of reports will vary by the type of campaign. Every candidate will be responsible for their compliance with campaign reporting laws. A Candidate Campaign Finance Manual is available online on the [State Board of Elections' website](#).

The law requires that the treasurer of every campaign committee receives training in handling campaign finance reports and law. This can be accomplished online or in-person at numerous training sessions offered by the State Board of Elections.

IMPORTANT: An organizational report must be filed with the State Board of Elections within ten days of becoming a candidate. For these purposes, “becoming a candidate” includes taking positive action for the purpose of obtaining nomination or being elected, soliciting or receiving contributions, making expenditures to enhance a campaign, or filing a notice of candidacy, whichever comes first. The report can be found online on the [State Board of Elections’ website](#). The State Board of Elections and your local County Board of Elections are also available to help.

7) Are there other filings required? [S.L. 2015-258 § 2\(f\)](#), [G.S. § 138A-22](#)

The State Government Ethics Act requires that candidates for an office covered by the Act must file a Statement of Economic Interest by **Monday, February 1, 2016** to the State Ethics Commission. For more information:
